INTERNSHIPS

Front-end Development
Code clause, Virtual
Mar 2023 ⏤ Mar 2023

In this company I worked as an intern in the field of Frontend Development. I did two internship in Fronted development and I learnt many new new things from that. It was a great experience in that particular field.

Oasis Infobyte
Front-end Development, Virtual
Dec 2022 ⏤ Jan 2023

Doing more internship will help you in your company so I did this internship in front-end development. In this we have to do all the levels and in levels there is some tasks which is given to us. Yes It was an great experience and challenge too for us.

PROJECTS

Shopping Website
Mar 2023 ⏤ Present

https://anshshoppingwebsite.netlify.app/

I made a project of Shopping Website using HTML, CSS and JAVASCRIPT . It's is a great experience and learn many new things. And now I can say I have a strong base of Frontend Development.
